	5 session	\$50	\$65

Nancy Hessin: Physical educator for Jeffco Schools for 40 years. Began playing Pickleball singles and doubles in 2007. I love the physical, mental and social aspects of this game.

Christian Phipps: I've been a teacher and coach in Arvada, Colorado for seven years. I was introduced to pickleball in 2013. In 2015, I won three tournaments, two with my wife and one with my men's doubles partner. Studying, practicing and teaching the skills and strategies of pickleball has become my passion. I enjoy helping beginners and experienced players improve their game.
